

## **Beach Reopening Communication**

### **DoubleTree by Hilton Resort & Spa Marjan Island**

We are beyond excited to share that the beach at DoubleTree by Hilton Resort & Spa Marjan Island will officially reopen on **March 25th, 2025**, after an incredible transformation!

Our enhanced beachfront is set to deliver an even more thrilling and unforgettable experience, with the return of our Tarzan boat, water sports, and all beach activities.

In addition to the stunning Arabian Gulf views and our impressive array of dining, leisure, and entertainment offerings, we've enhanced the sand quality and expanded our lounging areas, all designed to provide the ultimate seaside escape for our guests.

We truly appreciate your patience and support throughout this upgrade. We look forward to continuing our partnership in delivering unforgettable experiences for our guests.

We're excited to welcome all our guests back to a revitalized beach.
