Dear Valued Partner,

Subject: Notification of Adjacent Construction Activity

I hope this letter finds you well.

We are writing to inform you about upcoming construction activities near our resort premises that may be of interest to you and your esteemed organization.

Starting from July 2024, construction of a new high-rise residential tower, which is not affiliated with our resort, will commence adjacent to our property.

Please note that the construction site is over 300 meters away from our main resort building, ensuring a significant buffer distance from our primary guest areas.

We are pleased to assure you that all resort facilities, including our food and beverage outlets, swimming pool, kid's club, splash pads, and beach, will remain fully operational during this period. We have implemented stringent measures to ensure minimal visual and noise disruption, thereby preserving the tranquility and comfort our guests have come to expect.

The overall guest experience and safety remain our utmost priorities. We are committed to providing a seamless and enjoyable stay for all our guests, despite the nearby construction activities. Our team will continue to monitor the situation.

We appreciate your understanding and continued partnership. Should you have any concerns or require further information, please do not hesitate to contact us.

We are here to assist you and ensure that your collaboration with us remains unaffected by these developments.

Thank you for your attention to this matter.

Yours sincerely,

Khalid Saeed
General Manager
