

InterContinental Fujairah Resort Minor Enhancement
Frequently Asked Questions

Q: What facilities will be available during the enhancements?

A: All facilities at the resort will be available.

Q: What days/hours will the enhancement works take place?

A: The work will take place 6 days of the week (Monday to Saturday) from 09:00 to 19:00. Every effort will be made to ensure guests continue to enjoy their stay during this period.

Q: What details can you provide me with in relation to the type of work being carried out?

A: The enhancement works will focus on the driveway area.

Q: What are the expected disruptions during the enhancement period?

A: Like any major building project, some noise and dust may be encountered throughout parts of the resort and at times there will be heavy machinery being used during working hours. There will be erected hoardings all around the key public areas for safety and reduced visual disruptions.
