

ATLANTIS

THE ROYAL

DUBAI

Friday, 23rd August 2024

As part of our ongoing efforts to maintain the highest standards at Atlantis The Royal, a number of rooms and suites will undergo preventative maintenance work until November 2024.

The preventative maintenance work will be limited to guest rooms and suites only and will be carried out between approximately 10 am and 6 pm daily.

To minimise disruption to our guests, the surrounding rooms and floor will be closed for bookings during the maintenance periods, and no other facilities or guest areas will be affected.

If you have any concerns or if your guests experience any disruption, please feel free to contact myself, via the number or email below, and I will personally assist you in addressing any issues that arise.

We appreciate your understanding during this time and look forward to welcoming your valued clients to Atlantis The Royal.

Please don't hesitate to contact us if you have any questions regarding this communication, or if you require further assistance.

Yours sincerely,

Kyp Charalambous

Vice President, Sales, Atlantis Dubai
