Greetings from Al Hamra Residence and Al Hamra Village Hotel!

A few months ago, we had completed significant enhancements to our properties, including the renovation of the beach, the main road access and the rooms. We understand the importance of guest satisfaction and are pleased to inform you that the beach experience has been elevated and the area has a fresh new look, as you can view from the above images.

We believe that these enhancements will contribute to the overall satisfaction of our valued guests, and we look forward to the continued success of our partnership. Thank you for your understanding and support.
